

Illustrated Field Guides for Mid-Atlantic States

"The book [*Trees of New Jersey and the Mid-Atlantic States*] is clear and thorough enough (and small enough) to be a welcome companion on your walks, whether through woodland, along the canal or in a city park." -Washington Crossing Audubon Society

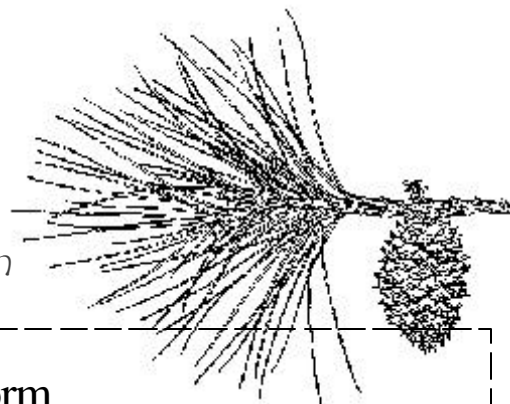

"The principal strengths of *Shrubs and Vines of New Jersey* include the technical accuracy of the descriptions and illustrations, the informative narratives that accompany many of the species, and the cost." - Terry O'Brien, Dept of Biological Sciences, Rowan University

"Between every
two pines is a
doorway to a
new world."
~John Muir

"Today I have grown taller from walking
with the trees." ~Karle Wilson Baker

"The day I see a leaf is a marvel of a day." ~Kenneth Patton
